

RAKESHKUMAR SHAH

Full Stack Developer (MERN)

+91 8511276458 | rakeshshah00004@gmail.com | rakesh-shah.vercel.app | Surat, Gujarat, India

SUMMARY

I am a passionate Full Stack Developer with hands-on experience in building scalable web applications using the MERN stack. I am skilled in REST API development, third-party API integration, and creating responsive UI/UX designs. I seek opportunities to contribute to modern development teams that value innovation and collaboration.

EXPERIENCE

Associate Software Engineer

[Yoga Capital](#)
Surat, India

12/2023 – 03/2024

- Integrated real-time NSE chat functionality using React.js and third-party APIs.
- Developed dashboard for trading and financial data visualization.
- Optimized React component rendering and state management.
- Worked in agile teams alongside developers and project managers.

Junior Node.js Developer (Intern)

[TechReale](#)
Valsad, India

12/2024 – 06/2025

- Built REST APIs using Node.js, Express.js, MongoDB with JWT authentication.
- Designed databases and implemented RBAC for multiple projects.
- Integrated APIs with React.js frontend for seamless client-server communication.
- Focused on API security, error management, and optimization.
